

Acklam Whin Primary School Pupil Premium Strategy Statement

2021-2022

This statement details our school's use of pupil premium funding (and recovery premium for the 2021 to 2022 academic year) to help improve the attainment of our disadvantaged pupils.

It outlines our pupil premium strategy, how we intend to spend the funding in this academic year and the effect that last year's spending of pupil premium had within our school.

School overview

Detail	Data
School name	Acklam Whin Primary
Number of pupils in school	422 FT (nursery TBC)
Proportion (%) of pupil premium eligible pupils	52 12.3% (October 2020) 58 13.7% (September 2021)
Academic year/years that our current pupil premium strategy plan covers (3 year plans are recommended)	2021-2022 2022-2023 2023-2024
Date this statement was published	September 2021
Date on which it will be reviewed	September 2022
Statement authorised by	Suzie Prince, Acting Headteacher
Pupil Premium lead	Deborah Moore
Governor / Trustee lead	Janet Lucas, Chair of Governors

Funding overview

Detail	Amount
Pupil Premium funding allocation this academic year - £1345.00 per pupil October 2020 Census numbers: 52 eligible for PP <i>Nationally 17.3%.</i> NB Since November 2020 we have had further children eligible for FSM/PP for 20-21 but this is not included within the funding amount. September 2021: 58 eligible children	£69,940
Recovery premium funding allocation this academic year based on October 2020 Census figures £145.00 per pupil £2000.00 (Guaranteed amount)	£7,540
Pupil premium funding carried forward from previous years (enter £0 if not applicable)	£0
Total budget for this academic year If your school is an academy in a trust that pools this funding, state the amount available to your school this academic year	<u>£77,480</u>

Part A: Pupil Premium Strategy Plan

Statement of intent

At Acklam Whin, our children are at the heart of everything we do. We have aspirations and ambitions for all of our pupils and strive to give every child the opportunities to achieve success. The Government uses free school meal eligibility over a six-year period (Ever 6 FSM) to provide additional, Pupil Premium funding to schools as a strategy to reduce inequalities and support the development of pupils from the most disadvantaged backgrounds. Pupil Premium funding is also provided for children who have been looked after continuously for more than six months (CLA) and the children of service personnel.

The targeted and strategic use of Pupil Premium will support our vision in closing the progress and attainment gaps, which can exist between our Pupil Premium pupils and their peers. When making decisions about the use of Pupil Premium funding, it is important to consider the context of our school and the barriers and challenges faced by eligible children. Common barriers to learning for disadvantaged children can include the following: less support at home, lower levels of parental engagement, weaker language and communication skills, lack of confidence, more frequent behaviour difficulties, reduced access to technology and educational materials, and attendance and punctuality issues. There may also be complex family situations that prevent children from flourishing and reaching their true potential. The challenges are varied and there is no “one size fits all” approach.

At Acklam Whin, our ultimate objectives are:

- ✓ To narrow and close the attainment gap between disadvantaged and non-disadvantaged pupils.
- ✓ For all disadvantaged pupils in school to make or exceed nationally expected progress rates.
- ✓ To support our children's health and wellbeing to enable them to access learning at an appropriate level and reach their full potential.

Principles

- We ensure that teaching and learning opportunities meet the needs of all pupils and give focus to those who belong to vulnerable groups.
- We ensure that appropriate provision is made for disadvantaged pupils and vulnerable groups and this is adequately assessed, addressed and evaluated in order to measure impact.
- In making provision, we recognise that not all Pupil Premium children will be socially disadvantaged or underachieving.
- We also recognise that not all pupils who are socially disadvantaged are registered or qualify for free school meals.
- All staff will be involved in the analysis of data and identification of pupils and be aware of targeted groups, including Pupil Premium children.
- Underachievement at all levels is targeted in order that all pupils are given the opportunity to achieve their full potential.
- Pupil Premium funding will be allocated following a needs analysis, which will identify priority classes, groups or individuals, to ensure that the children's emotional, social and academic needs are catered for.
- We reserve the right to allocate Pupil Premium funding to support any pupils that we feel are vulnerable and /or socially disadvantaged in order for them to raise their attainment and achieve their potential.

Planning and Provision

- Providing targeted small group or 1:1 support and intervention for our Pupil Premium children, which focusses on narrowing gaps and overcoming barriers, including targeted support for highly-achieving, disadvantaged pupils.
- A member of staff assigned the role of FSM/PP Champion in school, along with a specific teaching assistant to support the learning, social and emotional needs of our Pupil Premium children.
- Additional targeted support and teaching and learning opportunities provided across school for our identified children.
- Speech and language support in EYFS and KS1.
- Engaging specialist staff to support pupils with behavioural and mental health difficulties, including the use of external agencies.
- Extra-curricular activities and enrichment opportunities with priority given to those children whom Pupil Premium is focused, including cultural experiences.
- Subsidy of educational visits, activities and residentials across school.
- Additional resources and equipment, for example, an electronic learning device is provided for Pupil Premium children in KS2. Ensuring children have first-hand, quality experiences to use in their learning in the classroom.

- A wide range of assessment data and evidence is used to track pupil progress, attainment and achievement as well as to monitor and measure the impact of the provision in place.

All our work through the Pupil Premium will be aimed at accelerating progress and narrowing the gap within school and nationally.

Challenges

This details the key challenges to achievement that we have identified among our disadvantaged pupils.

Challenge number	Detail of challenge
1	Narrowing and closing the attainment gap across Reading, Writing and Maths
2	Lower levels of oral language, vocabulary and communication skills
3	Reading and vocabulary skills, including poor engagement in reading at a home level
4	Mental health, well-being, behaviour and safeguarding concerns (enhanced challenge due to the COVID-19 pandemic with a marked increase in referrals made)
5	Parental expectation of children meaning home learning environments, support and engagement can be varied (during lockdown and partial school closure, access, and uptake, to home learning was varied)
6	Attendance and punctuality issues
7	Experiences for children can be limited therefore they are missing out on vital experiences to help enhance learning and ensure they have high expectations for themselves. <i>COVID-19 and the lockdown restrictions have exacerbated this as integration beyond their home will be varied as well as the extent of interaction within the home.</i>
8	Access to technology and educational materials

Intended outcomes

This explains the outcomes we are aiming for **by the end of our current strategy plan**, and how we will measure whether they have been achieved.

Intended outcome	Success criteria
Higher attainment and achievement of Pupil Premium pupils in reading, writing and maths so that they make at least expected progress and close the gap, enabling pupils to reach age-related expectations. Pupils' progress and attainment to be at least in line with national data. Accelerated academic progress of disadvantaged children to close the gap/ prevent the gap widening between them and their more advantaged peers.	Strategies to help Pupil Premium children's engagement and achievement in lessons reviewed and staff reminded of them regularly to maintain focus on the Pupil Premium children. Continued use of monitoring systems on Target Tracker, including specific tracking of PP children and vulnerable learners. Specific time allocated in Pupil Progress meetings to discuss the progress and attainment of PP children, identified gaps and planned interventions/ support. NFER tests and analysis tools. Where appropriate, Pupil Premium children will be given priority for 1:1 tuition, possibly from the National Tutoring Programme. Planning and assessment reviews/ book scrutiny. Learning walks and pupil conferencing. Improved attitudes to learning, as appropriate.
High quality first teaching delivered consistently across school with staff incorporating a variety of teaching and learning strategies to promote engagement and involvement of Pupil Premium children, which will result in accelerated progress and the gap narrowing.	Teaching will continue to incorporate mastery techniques and promote high engagement of Pupil Premium children, using a variety of T & L strategies; PP children will be fully engaged in all parts of their

<p>High aspirations and positive messages conveyed to all pupils.</p>	<p>lessons using effective T & L approaches and personalised strategies.</p> <p>Lessons will involve modelling and teaching of metacognitive and self-regulative strategies to allow pupils to discover the learning strategies that help them the most.</p> <p>Monitoring of teaching through lesson observations, drop-ins, peer lesson study weeks.</p> <p>Good or better teaching and the consistency of this through the school and within year groups/phases.</p> <p>Internal data (Target Tracker) used to track children's attainment and achievements, enabling leaders and teachers to obtain more detailed gap and progress analysis.</p> <p>Regular Pupil Progress meetings to discuss the progress and attainment of PP children, identified gaps and planned interventions/ support.</p> <p>Impact of interventions measured, recorded and reviewed.</p> <p>Planning and assessment reviews/ book scrutiny.</p> <p>Learning walks and pupil conferencing.</p> <p>Improved attitudes to learning, as appropriate.</p>
<p>Improved phonics, reading and vocabulary skills – PP children making good or better progress in reading.</p> <p>High quality texts used to allow children to access a rich range of vocabulary and this will be highlighted within lessons and provided on display for children to access when writing independently, resulting in an increased range of rich vocabulary used by the children within their own writing.</p>	<p>High quality texts also available for access through reading schemes, school library and book clubs.</p> <p>Focus on vocabulary, reading areas in school, refurbishment of school library with children fostering a love and passion for reading.</p> <p>Working walls and vocabulary displayed so that children have access to it when working independently.</p> <p>Use of 'Book in a Box' to further develop a love for reading.</p> <p>Positive outcomes from pupil discussions/conferencing and surveys.</p>
<p>Achieve and sustain high levels of wellbeing for all pupils, particularly disadvantaged pupils.</p>	<p>Sustained high levels of wellbeing.</p> <p>Positive outcomes from pupil discussions/conferencing and surveys.</p> <p>High levels of involvement in enrichment activities.</p>
<p>Increased parental engagement</p> <p>Parents will be aware of the high expectations of their children and what this involves. Staff will maintain regular contact with families to communicate progress and expectations, providing support with home learning as appropriate.</p>	<p>Positive outcomes from parental discussions and surveys: parents indicate that there are strong links between home and school and support is received for a wide range of needs when necessary.</p> <p>Any issues are addressed in a timely and appropriate manner.</p>
<p>Attendance of identified PP pupils increases and is above 96%.</p> <p>PP Attendance, closely monitored by EWO, attendance SLT/TLR and PP Lead.</p>	<p>Attendance data.</p> <p>Attendance of identified PP pupils increases and the gap between PP and non-PP narrows.</p> <p>Sustained higher levels of attendance.</p>
<p>Experiences and extra-curricular opportunities:</p> <p>experiences for children can be limited therefore they are missing out on vital experiences to help enhance learning and ensure they have high expectations for themselves.</p>	<p>Pupil and parental voice: discussions and surveys indicate that children feel safe and happy in school.</p> <p>Social skills, independence, perseverance and teamwork are developed.</p>

Activity in this academic year 2021-2022

This details how we intend to spend our pupil premium and recovery premium funding **this academic year** to address the challenges listed above.

Teaching (for example, CPD, recruitment and retention)

Budgeted cost: £38,000

Activity	Evidence that supports this approach	Challenge number(s) addressed
<p>High quality first teaching for all pupils.</p> <p>PP Champion/Lead to track, monitor and evaluate strategies to maximise outcomes for PP children, including highly-achieving disadvantaged children.</p> <p>Appropriate CPD and work with colleagues within school and across other schools/ cluster of schools.</p>	<p>EEF Research and Guide to Pupil Premium - tiered approach: high-quality teaching, targeted academic support and wider strategies.</p> <p>Teaching is the top priority, including CPD.</p> <p>Sutton Trust – quality first teaching has direct impact on student outcomes.</p> <p>Training and supporting highly qualified teachers to deliver targeted support.</p> <p>Sir John Dunford – A 10-step Pupil Premium Plan</p> <p>Evidence from across the English school system shows that using Pupil Premium funding to improve teaching quality is the most effective way to improve outcomes for disadvantaged children. By doing so, it will inevitably benefit non-eligible pupils as well.</p> <p>In addition, evidence shows that academically able pupils from disadvantaged backgrounds are most at risk of under-performing. They should receive just as much focus in the use of Pupil Premium funding as less academically able pupils.</p>	1, 2, 3
<p>Appointment of new AHT to take the lead in KS2 and become English subject leader as well as facilitating the breakdown of Year 6 into 3 smaller classes.</p>	<p>EEF (+3)</p> <p><i>As the size of a class or teaching group gets smaller, it is suggested that the range of approaches a teacher can employ and the amount of attention each student will receive will increase, improving outcomes for pupils.</i></p> <p>Analysing the needs of our Year 6 cohort this year, we have identified that 3 smaller classes around 20 children would allow teachers to increase the amount of attention each child will receive and maximise learning outcomes.</p>	1, 2, 3
<p>Curriculum review and quality first teaching along with staff CPD and training opportunities.</p> <p>SDP/CPD</p> <p>Implementation of new phonics programme and subsequent staff training – <i>Sounds Write</i>.</p>	<p>EEF Research and Guide to Pupil Premium - tiered approach: high-quality teaching, targeted academic support and wider strategies.</p> <p>Teaching is the top priority, including CPD.</p> <p>EEF Oral Language Interventions</p> <p>Sutton Trust – quality first teaching has direct impact on student outcomes.</p> <p>DfE – Phonics documentation 2021</p> <p>Hart/Risley Language Study:</p> <p>Explored the impact of language on young children, revealing that children from low-income families are exposed to 30 million fewer words than their peers from higher-income families before the age of three.</p>	1, 2, 3

<p>Rigorous, robust assessment, monitoring and evaluation systems to track PP children's progress, identify gaps in learning, inform future teaching and learning, and plan where specific, bespoke intervention needs to be put in place.</p> <p>More detailed gap and progress analysis available with continued CPD.</p> <ul style="list-style-type: none"> - Target Tracker - NFER assessments - SATs practice papers/ mock weeks 	<p>EEF Research and Guide to Pupil Premium - tiered approach: high-quality teaching, targeted academic support and wider strategies.</p> <p>EEF Standardised Tests</p> <p>Marc Rowland, An Updated Practical Guide to the Pupil Premium – the importance of robust assessment. If assessment is inconsistent or poor, it is disadvantaged learners who are more likely to 'slip through the net'. Monitor progress regularly and evaluate outcomes robustly.</p> <p>Disadvantaged learners are most successful when teachers in the classroom feel accountable for their outcomes.</p>	1, 2, 3
<p>Pupil assessment and feedback to support pupils with their learning through pupil discussion/conferencing, helping to identify areas of strength and areas for development.</p> <p>Identify particular areas and assess key concepts.</p>	<p>EEF Research and Guide to Pupil Premium - tiered approach: high-quality teaching, targeted academic support and wider strategies.</p> <p>Meta-cognition and self-regulation strategies.</p> <p>Effective feedback.</p> <p>AW audit and CPD.</p>	1, 2, 3
<p>Role of SENDCo to monitor intervention and outcomes of targeted groups and provide support to teachers and support staff.</p> <p>Close monitoring of PP pupils also on the SEND register.</p> <p>New PP one-page profile to be introduced similar to the existing SEND one.</p>	EEF research – Vulnerable learners	1, 2, 3, 4

Targeted academic support (for example, tutoring, one-to-one support structured interventions)

Budgeted cost: £17,300

Activity	Evidence that supports this approach	Challenge number(s) addressed
<p>Planned and delivered targeted support to PP children in EYFS, KS1 and KS2. A designated PP TA to work in conjunction with the class teacher to support PP children across school to engage in lessons and successfully access learning whilst also providing pastoral support, including the delivery of specific interventions e.g. Lexia</p>	<p>EEF Guide to pupil premium – targeted academic support (+4)</p> <p><i>Small group tuition is defined as one teacher or professional educator working with two to five pupils together in a group. This arrangement enables the teacher to focus exclusively on a small number of learners, usually in a separate classroom or working area. Intensive tuition in small groups is often provided to support lower attaining learners or those who are falling behind, but it can also be used as a more general strategy to ensure effective progress, or to teach challenging topics or skills.</i></p> <p>Using internal data from the previous summer term, including gap analysis from the tests undertaken, each year group has identified children who require additional support and targeted, structured</p>	1, 2, 3

	<p>intervention in the autumn term. This support and provision will be regularly monitored and reviewed across the year.</p> <p>Thorough review and analysis of PP TA's timetable (3rd major review) so that all PP children are supported across the week with additional time and support given to the Year 3 and Year 6 cohorts where the greater needs are currently in order to address gaps in writing and mathematics.</p>	
Targeted, timely support for PP children in EYFS and KS1 whose language and communication barriers are proving a barrier to success (use of specialist TA)	<p>EEF Guide to Pupil Premium – targeted academic support (+4) As above</p> <p>Also EEF research – oral language interventions consistently show positive impact on learning.</p> <ul style="list-style-type: none"> • High quality small group interventions. • Proven interventions are used, with evidence supporting the development in social skills, speech and language, behaviour and mental health. <p>EEF – social and emotional learning:</p> <p>Improves interaction with others and self-management of emotions. This positively impacts on attitudes to learning and social relationships in school, which increases progress in attainment.</p>	1, 2, 3, 4
Provision of teaching assistants to deliver specific intervention programmes in KS2. Immediate and effective intervention when appropriate i.e. progress is stalling or slowing for PP learners.	EEF Guide to Pupil Premium – targeted academic support (+4) As above	1, 2, 3
Targeted intervention in Year 6, including booster sessions and an Easter school	EEF Guide to Pupil Premium – targeted academic support (+4) As above	1, 2, 3
1:1/ small group tuition where appropriate, possibly using the National Tutoring Programme	<p>EEF Guide to Pupil Premium – targeted academic support (+4) As above</p> <p>EEF One-to-One Tuition</p> <p>DfE data and analysis</p>	1, 2, 3

Wider strategies (for example, related to attendance, behaviour, wellbeing)

Budgeted cost: £22,000

Activity	Evidence that supports this approach	Challenge number(s) addressed
<p>Close monitoring of PP attendance to improve school attendance in accordance with national benchmarks and ensure pupils are accessing learning regularly and on time.</p> <p>- EWO, attendance TLR and PP Lead</p>	<p>EEF Toolkit – Parental Engagement (+3)</p> <p>Attendance data</p>	6
Jigsaw RSE framework to continue to provide emotional support, encourage mental wellbeing and cater for the	EEF have reported that social and emotional learning can allow an extra 4 months learning. This is extremely important in the current climate with children returning to school after the summer 2020	4

<p>pastoral needs of vulnerable learners and their families.</p> <p>Access to support and external agencies:</p> <ul style="list-style-type: none"> - Bungalow Project Intervention/ Behavioural Specialist Support - Additional Educational Psychologist Input 	<p>and on the back of further COVID-19 restrictions and lockdown; some children will not have interacted with people outside of their household a great deal during this last year and a half and there will be children and families who are dealing with the emotional effects of COVID-19, including family bereavement.</p> <p>EEF (+4)</p> <p><i>Social and Emotional Learning – interventions which target social and emotional learning seek to improve pupil’s interaction with others and self-management of emotions, rather than focusing directly on the academic or cognitive elements of learning. SEL interventions might focus on the ways in which students work with (and alongside) their peers, teachers, family and community. These include specialised programmes, which are targeted at students with particular social or emotional needs.</i></p>	
<p>Lunchtime club for vulnerable children, targeted at PP children where appropriate.</p> <p>Behaviour support</p>		4
<p>Extra-curricular opportunities to ensure PP children are given ‘first consideration/priority’ and to enable them to access high-quality, memorable educational opportunities and experiences beyond the classroom (e.g. P.E clubs, music tuition, memorable cultural visits and experiences)</p>	<p>EEF research: sports participation increases educational engagement and attainment. Also, outdoor adventure learning shows positive benefits on academic learning and self-confidence.</p> <p>Ofsted research (2019) places emphasis on improving cultural capital, particularly for disadvantaged pupils.</p> <p>Learning is contextualised in concrete experiences and language rich environments.</p> <p>Enrichment activities offer children a context for leaning and a stimulus to trigger their interest, which can then be evidenced in pupil books and data.</p> <p>Pupil conferencing/ surveys reflect greater enjoyment and engagement in school.</p>	7
<p>Regular, supportive communication and liaison with parents, including via the AW School App, school website, regular newsletters, See-saw, Pobble and parent workshops, to continue to engage pupils and parents and provide effective home-school communication.</p> <p>Regular communication with PP Champion/Lead.</p> <p>Increased parental engagement, encouraging their involvement as children move up through school.</p>	<p>EEF Toolkit Parental Engagement (+3)</p> <p>We define parental engagement as the involvement of parents in supporting their children’s academic learning. It includes:</p> <ul style="list-style-type: none"> - approaches and programmes, which aim to develop parental skills such as literacy or IT skills; - general approaches, which encourage parents to support their children with home learning, for example reading or homework; - the involvement of parents in their children’s learning activities; - more intensive programmes for families in crisis. <p>Pupil and parent surveys.</p>	4, 5
<p>Refurbishment of school library to encourage reading for pleasure and foster a love for reading.</p> <p>A safe, warm and welcoming place for PP children and other learners.</p>	<p>Evidence states that children who enjoy reading are motivated to read more frequently and make better progress. Higher attainment in reading indicates better life chances.</p> <p>Middlesbrough LA: reading agenda and promoting reading for pleasure</p> <p>Positive outcomes from pupil and parent surveys.</p>	1, 2, 3

Access to additional resources to develop and enhance children's learning experiences both in and out-side of school, including the use of electronic devices.	EEF Digital technology: Clear evidence that technology approaches are beneficial for writing and maths practice.	8
--	--	---

Total budgeted cost: £77,300

Part B: Review of outcomes in the previous academic year 2020-21

Pupil premium strategy outcomes

This details the impact that our pupil premium activity had on pupils in the 2020 to 2021 academic year.

Due to COVID-19, all statutory assessments were cancelled in the 2020-2021 academic year. Therefore, there is no national data and performance measures have not been published for 2020-2021.

Summer term internal assessments and standardised teacher administered tests (NFERs) highlight and indicate pupil progress. Performance of disadvantaged pupils is lower than previous years in key areas of the curriculum with intended outcomes not fully achieved. As evidenced in schools across the country, school closure has impacted on children's learning and wellbeing with disadvantaged children being the most affected. Our current 3-year plan indicates and details how we are planning and intending to use this information, data and overall review of the previous year (2020-2021) in order to move forward and secure the best outcomes for all of our pupils.

Internal data from Target Tracker July 2021:

FSM Reading: 52.2% at A.R.E or above Non-FSM 61.9%
 FSM Writing: 32.6% at A.R.E or above Non-FSM 48.4%
 FSM Maths: 54.3% at A.R.E or above Non-FSM 63.0%
 Combined – At or higher in all: FSM 28.3% compared to 43.4% Non-FSM.

Current Year 6 at the end of Summer term 2021

Lockdown January to March 2021:

18 of our FSM children attended school during the spring lockdown and all 3 PP+ children.

Food vouchers (inc. food parcels where appropriate) were provided for FSM families.

During this period, there was an increase in FSM (9 children) with a backlog to November/ December 2020. When new families joined FSM status during this period, they were immediately added to the school's monitoring systems and to the Edenred FSM voucher scheme, receiving food vouchers or food delivery parcels as appropriate. Backdating of vouchers (supermarket) when needed.

Regular communication via weekly keeping in touch/ welfare phone calls.

Well-being support offered, access to support services and external agencies with referrals made when appropriate.

Remote learning packs, resources and electronic devices provided when needed (an additional 5 school devices provided to PP families).

High quality blended learning and remote learning access, using a range of online resources, including those provided by the Oak National Academy.

Access to additional materials e.g. 'Book in a Box' package home delivery.

Emotional, social and mental well-being:

Children supported by the Bungalow Project, Educational Psychologist and Behavioural Specialist continue to benefit significantly and are able to access learning more successfully. Parents have also been more engaged, which has had a positive impact on behaviour and the emotional well-being of pupils.

EduCare online staff CPD during lockdown and in school: Mental and Emotional Wellbeing in Children; Safeguarding and CP training.

Parental engagement:

100% of families have access to the Acklam Whin App and therefore all FSM/PP families. If any technical issues occurred, families were contacted via alternative means. This is proving to be an excellent method of communication for families, especially during lockdown periods. Targeted notifications were sent to FSM/PP families containing important information and updates e.g. regarding Edenred food vouchers, remote learning activities and access to further resources (P.E kits, 'Book in a box' home delivery etc.)

Regular communication with parents through the Acklam Whin App and weekly letters.

FSM eligibility checker on the school app is proving to be an effective way of initiating the process for FSM and then applying for full FSM status.

Memorable experiences, extra-curricular opportunities and access to additional resources:

All PP families offered free educational visits and activities with the majority of them taking up this offer.

High participation in Year 6 residential to Robinwood (July 2021).

High PP uptake at extra-curricular events with very positive feedback from both pupils and their families.

When first offered these additional resources and opportunities, the vast majority of PP children and families take them up. Those that do not take up the initial offer are always encouraged to inform us if their decision/circumstances change; as a result, these families often then take up the offer a little later in the school year.

When parents/ carers have contacted school with any additional requirements or needs e.g. school uniform, school has also provided these additional resources to help support children and their families.

P.E kits provided for PP children, including the offer of an outdoor sports kit this year.
 Year 6 pupils: 10 children requested and provided with a school iPad.
 Year 5 pupils: 10 children requested and provided with a school iPad.

Externally provided programmes

Please include the names of any non-DfE programmes that you purchased in the previous academic year. This will help the Department for Education identify which ones are popular in England

Programme	Provider
Power Maths (introduced in last two years)	Pearson
Comprehension Ninja Vocabulary Ninja	Andrew Jennings

Service pupil premium funding (optional)

For schools that receive this funding, you may wish to provide the following information:

Measure	Details
How did you spend your service pupil premium allocation last academic year?	Our funding was pooled together with the total Pupil Premium funding allocation.
What was the impact of that spending on service pupil premium eligible pupils?	Please see above for the impact.

Further information (optional)

Some CPD and additional resources
