6th October 2023

Dear Parents and Carers,

Autumn has definitely arrived! 🍁 I hope you have all had a good week.

School Council

Our children have been busy democratically choosing their school council representatives for years 1 to 6 and well done to everyone who decided to run. We had some fantastic applications and some super presentations to the class about their qualities and what ideas they had to make our school even better! We look forward to meeting our new school council representatives very soon.

Break the Rules Day

Our school fundraising Break the Rules Day is on **Friday 13th October**. Your child will have brought a form home with them today and if they would like to take part, they should complete the form and donate 50p for every rule they break that day. The children will bring the form into school with them on **Friday 13th October**, along with payment and hand it to their class teacher. They can break as many rules as they wish- just for one day! 😊 Thank you for your support with our fundraising, we really do appreciate it.

Online Safety Workshops

There are some activities being held across Middlesbrough for parents and carers during October. These free workshops are designed to help parents and families feel safer, more confident and in control online. There will be an opportunity to try family games and explore a library of information.
