9th February 2024

Dear Parents and Carers,

Where did that half term go? We have had squeezed lots into our five, fun-filled weeks with many memorable learning experiences for all our children.

Stone Age Experience

Our Year 3 children had a fantastic day yesterday. They made their own Stone Age tools, produced amazing sketches of animal bones, had a practice at archery and even created their own cave paintings. Hirah said, 'I loved drawing the cave pictures and looking at the different animal furs.'

Reggie favourite part was, 'I learnt to do archery.'

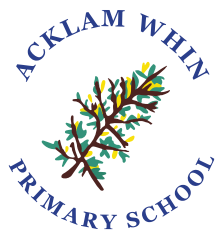

All the children had lots of fun but learnt lots of information too. Cole said, 'I learnt the Stone Age people went out to hunt in groups.'

Cuddle-tastic!

Thank you to all the adults that came into school yesterday to make Cuddle Pets. All our Reception children loved making their Cuddle Pet with their grown-up and as you can see from the photos below, everyone had a fabulous time.
