23rd February 2024

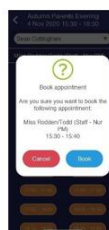

Dear Parents and Carers,

I hope you all had a fantastic half term break, and we are looking forward to the next half of our spring term.

Parents Evening

Parents Evening will be held on **Tuesday 12th and Wednesday 13th March** for years Reception to Year 6. Nursery will be in contact shortly to share the dates for their Parents Evening. Working with you and sharing the progress and development of your children is such a crucial part of our relationship and we look forward to speaking with as many of you as possible. The parent consultations will be available for the children entering their second year in Nursery and from Reception to Year 6 and you can book your desired slot via our App. These appointments will be available to book from **Tuesday 27th February**.

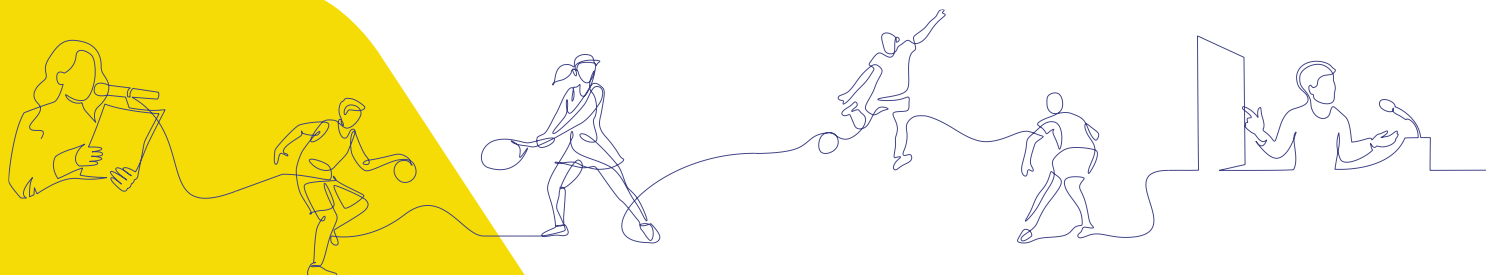

Click on the Parents' Evening Choose your evening Book the available slot Confirm Select sibling from drop down

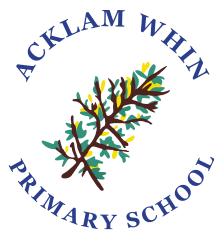

If you do not have access to the app or have any problems, please contact your child's class teacher or the school office.

World Book Day

World Book Day is on **Thursday 7th March**. We want to share the message of how lives can be changed by celebrating a love of books and reading and there will be lots of memorable activities taking place in school. We have listened to feedback from parents and recognise that at this time families might be under financial pressure, and we do not wish to add to that so we are not asking our children to dress up but instead to bring in their favourite book to share and we know the children will have a fabulous day. The children will also be bringing home a book token and will be able to choose a brilliant book for free with their **WBD £1** token from participating retailers.

LEARNING TOGETHER TO ACHIEVE SUCCESS FOR ALL

STEM Club

Miss Edward's STEM club started this week, and the activities will give our children an opportunity to combine their knowledge of science, technology, engineering and maths to solve problems in real-life contexts. This week, our children have been designing and making a variety of glider planes. They then tested their planes on their travel distance and time spent in the air. All the children worked with enthusiasm and perseverance and as we can see, came up with some impressive designs!

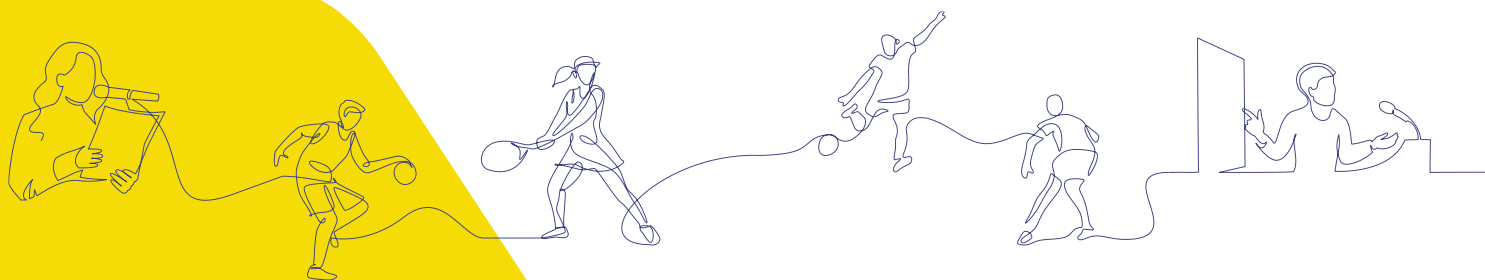

Red Nose Day

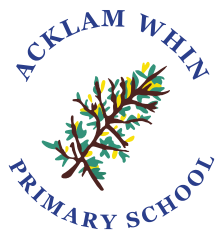

Red Nose Day is on **Friday 15th March** and the important message of Red Nose Day is to make a difference to the lives of millions of people across the UK and around the world. We are going to celebrate RND in school and if your child would like to come to school in non-uniform that day and make a £1 contribution to RND they are very welcome to.

WEEKLY BLOG

Just a reminder that our weekly blog is on our website <https://acklamwhin.co.uk/latest-news/> Each Friday, we will be posting our BLOG, so please look out for the app alert and follow the link to get news, updates and information.
